TranquilTone
White Noise Machine User Manual

SAFETY PRECAUTIONS:

To ensure safe use of this product, please follow these guidelines:

1. Keep the product away from rain, water, or damp environments. Always store in a dry place.
2. Do not splash liquid on or near the product.
3. Do not press the buttons with excessive force.
4. If cleaning is required, use only a dry or slightly damp soft cloth. Do not use corrosive cleaners or solvents.
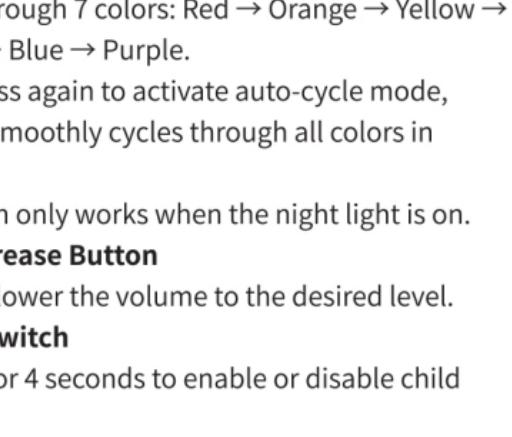

TECHNICAL SPECIFICATIONS:

1. Speaker Driver: 33mm, 4Ω, 3W
2. THD+N: ≤1% (1W, 1KHz)
3. SNR: ≥72 dB
4. RMS: 3W
5. Input: DC 5V
6. Average Output: 80 dB
7. Product Size: Φ51mm × H55mm
8. Product Weight: ~72g

FEATURES:

1. 15 soothing sounds (see list below)
2. Compact, lightweight, handheld design
3. Transparent casing shows internal details
4. Soft silicone buttons for comfortable touch
5. RGB multi-color night lights
6. Sleep timer: 30 / 60 / 90 minutes
7. Memory function (remembers last settings)
8. Child lock function for safety
9. USB-C charging port

BUTTON FUNCTIONS:

1.) Power Switch
Press and hold to turn the unit on or off.
Note: The machine remembers the last settings when restarted.

2.) Night Light Switch
Press to turn the night light on/off.
Press and hold to adjust brightness (cycles from dim to bright).
Release when desired brightness is reached.

3.) Light Color Button
Press to cycle through 7 colors: Red → Orange → Yellow → Green → Cyan → Blue → Purple.
After Purple, press again to activate auto-cycle mode, where the light smoothly cycles through all colors in sequence.
Note: This button only works when the night light is on.

4.) Volume Decrease Button
Press or hold to lower the volume to the desired level.

5.) Child Lock Switch
Press and hold for 4 seconds to enable or disable child lock.
Note: Prevents accidental operation by children.

6.) Volume Increase Button
Press or hold to raise the volume. A short "ding" will sound at maximum level.

7.) Sounds Button
Press to cycle through 15 built-in sounds (Brown Noise, Pink Noise, Fan 1, Fan 2, Forest Bird, Crickets, Wind, Light Rain, Brook, Ocean Waves, Campfire, Lullaby, Twinkle Twinkle Little Star, Shushing, Chakra Meditation).

8.) Timer Button
Press to select a sleep timer (30 / 60 / 90 minutes).
If no timer is selected, the machine will play continuously until manually turned off.

INDICATORS & PORTS

9.) Timer Indicator
Lights up to show active timer setting (30/60/90 minutes).
No light = continuous play mode.

10.) Power Indicator
Red = charging
Green = fully charged
Flashing red = low battery

11.) Child Lock Indicator
Yellow = child lock enabled
Off = child lock disabled

12.) USB-C Charging Port
For use with 5V / 1A power adapter.

Warranty & Support

All TranquilTone products are backed by a 12-month limited warranty covering defects in materials or workmanship under normal use. If your unit stops working during this period, we'll provide a replacement.
This warranty does not cover damage caused by misuse, accidents, or unauthorized modifications.
